# Routes 211: Speke circular

Along roads where there are no bus stops, Route 211 offer the Hail and Ride facility. This means you can get on or get off the bus where you like, but only if the bus driver thinks it is safe for you to do so. If you want to get on the bus, wait at a safe location (away from road junctions, crossings and bends in the road) and give the bus driver a clear hand signal as the bus approaches. When you want to get off the bus, tell the driver in good time and the bus will stop at a point where the driver thinks it is safe to do so.
